

Making Private College Education More Affordable

SAGE Scholars is the nation's oldest and largest private college preparation and funding organization. Our goal is to bridge the gap between students who want an affordable private college education with colleges that will guarantee tuition discounts for member families - all at no cost to the student, family or college. Through our Tuition Rewards® program, SAGE Scholars has been helping families secure the best possible private college education at an affordable price for nearly a quarter of a century.

How SAGE Tuition Rewards Work

-  Tuition Rewards are discounts, not “hard dollars,” provided by member colleges. Tuition Rewards are used to pay for up to **one year's tuition** at any member college or university.
-  Tuition Rewards are **guaranteed minimum discounts** that can be used by children, grandchildren, nieces, and nephews of member families.
-  There are over **400 private colleges and universities** across the nation that accept Tuition Rewards, and 80% of member colleges have received an “**America's Best**” ranking by *U.S. News and World Report*.
-  **Member families earn Tuition Rewards** through affiliated organizations and the SAGE Scholars Student Direct program.

SAGE Scholars Tuition Rewards has been very beneficial to our family. My son only applied to participating schools. The Tuition Rewards my son had earned allowed him to attend the school of his choice, which would have been financially difficult otherwise. This is a great program!

Why SAGE Scholars?

-  SAGE Scholars is the parent company of Tuition Rewards, the **innovative college funding solution** founded by Dr. James B. Johnston in 1995.
-  In addition to the Tuition Rewards program, The SAGE Scholars Educational Foundation offers **hundreds of thousands of dollars** in annual scholarships to families whose children attend member colleges or universities.
-  SAGE Scholars provides **comprehensive college and career planning tools** including checklists and timelines - **helping prepare students every step of the way.**
