AUGUST 31ST

August 31st of the year that a student begins 12th grade is the last day that a student can earn or receive Tuition Rewards. If you have Tuition Rewards in your account that you intend to use for a student, you must transfer them to the student prior to this date.

APPLICATION

A student's Tuition Rewards must be submitted through our website within 10 days of application to any member college or university.

A member college or university's financial aid package is unique and will present Tuition Rewards according to their award letter standards. Review that the amount of institutional aid (scholarships and institutional grants provided by the college) is at least the amount of Tuition Rewards submitted. Your student may have received more aid, but he or she cannot receive less if all program deadlines were met.
